Nutrimix

Visalift Nutrimix

Derma Regenerative Serum Multi Peptide

REDUCE WRINKLES DEPTH AND VOLUME. SOFTENS SIGNS OF AGING. HELP SKIN TO RECAPTURE YOUTHFUL BEAUTY

Visalift **NUTRIMIX** is the last innovation for the reduction of wrinkles. **NUTRIMIX** contains the most powerful peptides currently available today, to address the effects of aging on your skin. The daily use of **NUTRIMIX** prevents the formation of new expression lines and to reduce the appearance of current ones.

NUTRIMIX help to inhibit muscle contractions that form expression lines. In addition, peptides help contribute to the production of new collagen, which can result in a more youthful appearance of the skin.

YOUNGER, HEALTHIER-LOOKING SKIN

Diminish fine lines and wrinkles
Neutralizes free radicals and protects against antioxidant damages
Softens signs of aging
Smooths skin texture
Moisturizes, Nourishes and Conditions the Skin

HOW TO USE

Lift Miracle

Visalift Lift Miracle

Instant FaceLift Serum

Visalift Lift Miracle is a revolutionary product that instantly contracts the skin cell drawing them closer together especially those areas of the skin which have lost elasticity, giving your skin a toned and lifted appearance in less than 5 minutes.

See the "natural" face lift difference:

- Firmer facial contours
- Reduces wrinkles and fine lines
- Erase the appearance of dark circles and puffiness under the eyes
- Reduces sagging skin on the face, neck and chin
- Shrink the appearance of pores and improve skin texture
- Fuller, shapelier lips
- An overall more youthful "lifted" appearance

Directions:

Shake well before each use. Apply a few drops on clean skin to problem areas. Spread in an upward. Allow to dry 3-5 minutes before apply other treatments. If a white film appears moisten with water or a moisturizer.
